The International Workshop on Recent Advances in Digital Security: Biometrics and Forensics (BioFor 2015) is a satellite event of ICIAP 2015 that will be held in Genova, Italy, September 7, 2015. BioFor 2015 will provide a forum for researchers from academia and industry with interest in the ongoing research on security, forensics and biometrics. The workshop calls for submissions addressing, but not limited to, the following topics:

- Biometrics and soft biometrics
- Mobile biometrics
- Audiovisual biometrics for multimedia forensics
- Biometric spoofing and liveness detection
- Biometric and forensic analysis of crime scene traces
- Forensic behavioural biometrics
- Security assessment for multi-biometrics systems
- Audio forensics
- Image and video forgery detection
- Machine learning techniques in image forensics
- Multimedia forensics
- Source identification
- Security of information in social media
- Adversarial learning
- Counter-forensics

BioFor 2015 invites original previously unpublished contributions which are not submitted concurrently elsewhere. All accepted papers will be published in Springer's LNCS proceedings. Authors of accepted papers will be expected to present their work in the form of oral presentations. All papers and presentations will be in English.

Submission Format: Authors must follow Springer's LNCS guidelines and technical instructions for paper preparation, as reported on the webpage. The BioFor 2015 paper format is the same as for the ICIAP 2015 Conference, with a maximum manuscript length of 8 pages. Authors may consider downloading and using the ICIAP2015 Author Kit.

Submission Server: Paper submissions are accepted through the EasyChair Conference System at: https://easychair.org/conferences/?conf=biofor2015

The authors of selected papers will be invited to submit an extended version to a special issue of Multimedia Tools and Applications.

Submission Deadline: May 20, 2015
Notification of Acceptance: June 15, 2015
Camera-ready Paper: June 22, 2015
Registration: June 22, 2015
